

Dear Meghan Sooy:

We are excited to announce the launch of the 2023 UCB Family Epilepsy Scholarship Program™. This year's application deadline is **March 31, 2023**.

We ask for your help to raise awareness about this program for students whom you believe would be a good fit. Potential applicants may obtain program information and apply online by creating an account at www.ucbepilepsyscholarship.com.

Since 2005, UCB, Inc. has awarded over \$3 million to more than 580 deserving individuals, including people with epilepsy, their immediate family members, and caregivers, who have applied their awards to undergraduate and graduate studies.

In 2023, we will be awarding 33 one-time scholarships to students who are studying to receive a post-high school degree. Thirty scholarships of up to \$5,000 each and three scholarships of up to \$10,000 each will be awarded to applicants who demonstrate academic and personal achievement.

Please click the button below to access the 2023 scholarship program poster that can be displayed in your office or shared via email with potential applicants.

In addition to the program poster, you may click on the Where Are They Now? (WATN) tab on the [scholarship program website](#) to view stories from twelve former scholarship recipients. The Where Are They Now? campaign was created last year to highlight, uplift, and showcase the phenomenal talents, strengths, resilience, and perseverance of our UCB Family Epilepsy Scholarship Program winners.
